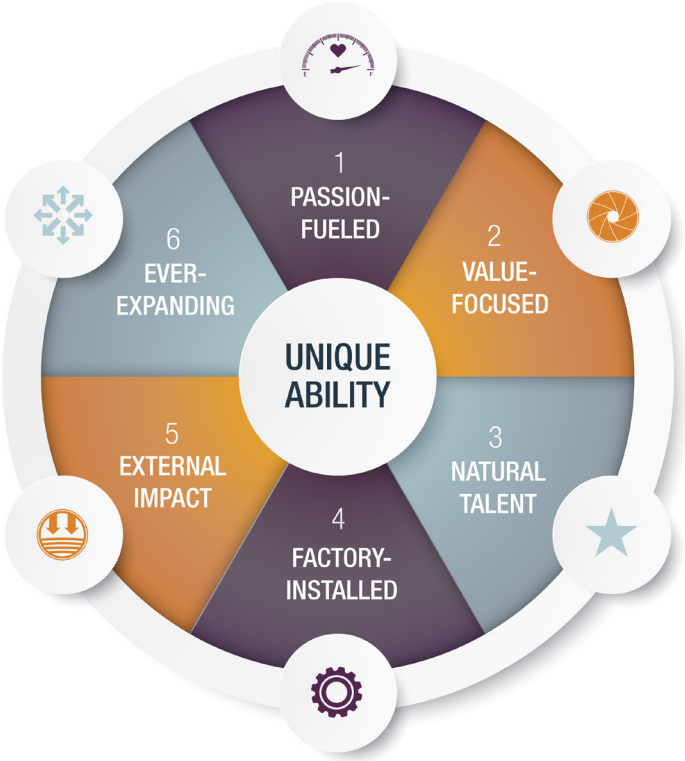
# UNIQUE ABILITY® GUIDELINES



It's the essence of what you love to do in ALL areas of your life — not just in business.

It can be applied to many different situations, activities, and opportunities.

It may not seem that exciting or special because it comes so naturally to you.

It's "factory installed." You've been doing it since you were a child.

Others may recognize it in you before you see it in yourself.

It evolves throughout your life and keeps getting better the more you apply it.
